Stop forgetting me!

Not a beer... or something?
Eh, mango...?
Ah... I'm sorry.
I should have considered that, my apologies.
Actually,
it's my first time drinking...
I'm sure you'll like it eventually.
it's sweet so it goes down easily.
I'd recommend this to people drinking for the first time, though.

...Wait... You know that was the first drink I ever made for you...
.....
Slam
So, do you like it now?
Ahaha.
I remember! How could I forget!
In love with this drink and..
the night you made it for me.
I was already in love with it

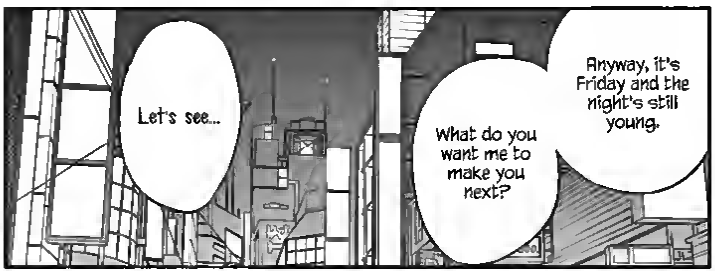
SO SHE MUST BE A BIT EMBARRASSED.
SHE'S STILL NOT COMPLETELY DRUNK

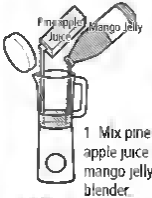


Let's see...
What do you want me to make you next?
Anyway, it's Friday and the night's still young.

Mango Vodka Slush

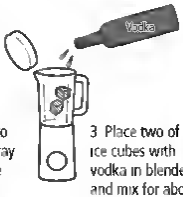
Recipe

Mango Jelly	60 ml
Pineapple Juice	60 ml
Vodka	30 ml



1 Mix pine apple juice and mango jelly in blender.

2 Pour into ice cube tray and freeze



3 Place two of the ice cubes with vodka in blender and mix for about 10 to 15 seconds

4 Pour into chilled glass.

5. Add mint to taste and enjoy♡

Memo

This drink requires a bit more preparation than the other cocktails covered so far, but its flavor more than makes up for that! Its low alcoholic content and faint smell make this drink perfect for drinkers new to alcohol.

お酒は夫婦になってから

It's been a while, but... we need a proofreader!

Our dear MaHa9392 has notified us that she'll be leaving in November for personal reasons. So, for the first time in a couple of years, we'll need a new proofreader!

She has several projects with us, most noticeably ***Ouroboros***, but Ouro has already been taken by our Comicryan. Her other ones release less frequently, so it would be preferable that we found someone to do all of them: ***Nanba MG5***, ***Sprite***, ***Shounen Y*** and ***Revenge Classroom***.

Applicants need to contact me (Wraith) by PM via deathtollscans.net or via Batoto (where my nick is Kendama). I'll give you an unproofed script and you'll be assessed on your ability to proof it by correcting Grammar mistakes, improving the flow and style, detecting missing translations and adding cues to the typesetter.

MaHa won't leave us immediately, so if you get approved, you will transition into the team by steps, one series at a time as she disengages from them. So don't expect to work on all of these projects until she is gone for good.

We'll test you even if you are experienced.

Comfort zone in sight, but still recruiting editors!

From what I can see, now we need typesetters for ***Psychic Odagiri Kyouko's Lies, Alcohol is for married couples*** and ***God, you bastard, I wanna kill you!***. The test is here: https://goo.gl/vQuPZA

Please submit the PSD files with your application bundled in a compressed folder (RAR, Zip, 7z, whatever) and send it as a download link to me as a PM (Wraith a deathtollscans.net, kendama at Batoto), or post it here: **https://goo.gl/jkE13V**

If you are ***experienced***, contact me to know of ways of bypassing the test.
